CORALES 19

INDOOR

This colonial-style design villa has plenty of spaces in which you can just relax and appreciate the beauty of life. A good example is the living room, beautifully decorated and comfortably furnished for you to lay back and enjoy a good company or a great book, arrange ideas, thinking of the future but at the same time enjoying the present.

All this with an amazing ocean view at the palm of your hands on the balcony. Some of the places to enjoy a great meal is in this 8-seat chic round table where you can create some of the best memories with those you care about.
