TORTUGA BAY®
PUNTACANA RESORT & CLUB

THE LEADING HOTELS
OF THE WORLD

TORTUGA BAY

Tortuga Bay is redefining the luxury hotel experience with 13 villas draped in stunning designs by the late Oscar de La Renta. Discretion, serenity and impeccable service define your stay at this private enclave. From the moment you arrive at Punta Cana International Airport, the staff will guide you through your experience, taking care of everything from customs to drawing your bath after dinner for an effortless travel experience.

DESIGN

World-renowned designer Oscar de la Renta has infused his Dominican heritage into the design of each villa, creating an artful harmony between simplicity and elegance. Decorated with authentic materials and inspiration from the rich, indigenous culture, our villas will envelope you in a true Dominican experience.

RENOVATIONS

The award winning hotel features thirteen secluded villas with renovations led by Markham Roberts. The renovations include an updated design and new technology in every suite which have been curated to enhance the guest experience. The iconic hotel incorporated a renewed aesthetic as well as additional seating, a new kitchen, and a new bakery for its Four Diamond Award-winning Bamboo Restaurant. In addition, Tortuga Bay at Puntacana Resort & Club has added a wine cellar offering 600 bottles of fine wine, a humidior featuring a wide selection of cigars, a renovated bar, and state-of-the-art-fitness equipment for the hotel's private gym. The property added a new lounge to accommodate early arrivals and departures, allowing guests to enjoy the resort's seclusion and service from the moment they arrive until the moment they leave for the Punta Cana International Airport. Tortuga Bay experiences bring guests to the next level of luxury and comfort. Called "a master of timeless American style" by Vogue, Markham Roberts has earned a reputation as one of the top decorators of his generation.

SERVICE

From the moment you touch down at our own Punta Cana International Airport every detail is taken care of. Our VIP Service will whisk you through customs to a private car that has been awaiting your arrival. You will be welcomed by your own villa manager who will ensure the only thing you need to focus on is enjoying yourself. Our numerous amenities including a personal golf cart, bicycles, shoe shine service, plasma television, and even a pillow menu, make Tortuga Bay the height of luxury and convenience.

EXPERIENCE

Try the challenging yet rewarding La Cana Golf Course. With breathtaking oceanfront vistas, this P.B. Dye design is considered one of the top courses in the Caribbean. Corales Golf Course designed by Tom Fazio will impress all golf obsessed travelers with its pristine beauty. This distinctive course is set between rocky cliffs, coral reefs and Caribbean Sea views.

For total relaxation, give yourself over to the master therapists at our Six Senses Spa. You will melt into the hands of our gifted international team as you realize why Six Senses is considered the globe's premier spa and wellness center. For a truly special dining experience, visit our Bamboo Restaurant & Bar. The unique menu blends locally sourced food with Mediterranean influences for a variety of innovative fusion dishes in a cozy, graceful setting designed by late Oscar de la Renta. You can also unwind poolside at Bamboo Bar or at Tortuga Bay Lounge; enjoy a delicious Churchill while gazing at the Dominican stars, or explore any of the other fine dining options at Puntacana Resort & Club.

COMMITMENT

Our family-owned business is devoted to protecting the rich and colorful Dominican culture, and allowing it to infuse every inch of our resort. As a leader in ecological preservation and education, we have developed our tropical paradise with a painstaking eye toward harmonious integration with the natural Dominican surroundings. Our unique 1500-acre Ecological Reserve and research-based Grupo Puntacana Foundation represent the heart of our deep commitment to environmental protection and sustainable tourism, as well as our hope that they will serve as inspiration for similar progress around the globe.
