SPECIFIC NOTICE REGARDING COVID-19 TO VOLUNTEERS

The novel coronavirus known as COVID-19 is a great concern for us all. In particular, the Center for Disease Control (CDC) states that based on currently available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19. More information about who may be at higher risk may be found at <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-at-higher-risk.html>. If you have any questions about whether you should participate in the Tournament, please contact an appropriate health care provider.

While the Tournament has undertaken a number of measures to help mitigate the risk transmission of COVID-19 and other contagious illnesses, elimination of risk of exposure and infection to COVID-19 is not currently possible. Therefore, we understand if you cannot or do not wish to participate this year and hope that we can count on your participation in the future should circumstances change. Whether you are able to join us again this year or in the future, we appreciate you being part of the PGA TOUR volunteer family.

Should you choose to participate in the Tournament, you must follow all safety measures implemented by the Tournament with respect to COVID-19. In particular, you may be required to do the following:

Submit to screening for symptoms of COVID-19, as identified by the CDC at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> including temperature checks on a regular basis;

Submit to possible COVID-19 testing to the extent required by the Tournament;

Maintain social distancing (staying at least 6 feet - about 2 arms' length - from other people) whenever possible;

Wash hands with soap and water for at least 20 seconds or use hand sanitizer that contains 60% alcohol including the hand sanitizer provided by the Tournament as often as possible;

Wear personal protective equipment such as facecloths or masks that meet CDC guidelines, such as those that may be provided to you by the Tournament, in such circumstances when directed by the Tournament;

Use sanitizing and disinfecting wipes provided by the Tournament as directed by the Tournament; and

Practice "Safer at Home" behaviors when not at tournament during tournament week including social distancing whenever possible, avoiding unnecessary trips and unnecessary interactions, and wearing masks whenever social distancing is not possible.

Further information about the requirements for each Tournament will be provided once volunteer assignments have been made.

We understand circumstances may impact your ability to volunteer as the Tournament approaches. For instance, if you are ill or are subject to self-quarantine or self-isolation based upon CDC guidelines, state or local government recommendations or requirements, or your physician, please let us know as soon as possible. We want to ensure you are taking all appropriate precautions for your own health and welfare as well as the health and welfare of the other participants.

We greatly appreciate your interest in volunteering at the Tournament and know that you share our concern for the safety of all participants at the Tournament. Working together, we are confident we can make this Tournament a success for the local community.

I have read, understood and accepted the [SPECIFIC NOTICE REGARDING COVID-19 TO VOLUNTEERS](#) established for participation as a volunteer at the Corales Puntacana Resort & Club Championship.

In the case of having been chosen to participate as a volunteer, you must present your vaccination card along with your identity card or passport

- All golf carts must drive along the designated routes.
- If the path is congested, don't take alternative routes or drive inside the ropes.

RULES: SAFE AND RESPONSIBLE GOLF CART USE, KNOWLEDGE OF SAFETY RULES AND POLICIES

- The driver is responsible for ensuring that all passengers abide by this rule.
- Only driver's license holders who have signed the Safe Use of Golf Carts Policy document may drive a vehicle. Nobody will be allowed to drive under the influence of alcohol.
- Golf carts will be assigned to specific persons or areas. Please, never take other carts.

7. Maintenance and Returns

- Any defect or problem detected in the cart should be reported to the person responsible for golf cart maintenance.
- At the end of the day and the tournament all the golf carts must be returned to the designated area. It is forbidden to leave golf carts on the course and/or club parking lots.
