Here are just a few of the many reasons to get married in Punta Cana...

1. It's easy to get there!

If you're coming from the east coast, most major airports have direct flights to Punta Cana. It's a quick 4-hour flight from NYC - winning! Not only is it an easy travel day, but Punta Cana Resort & Club offer a service where an escort from the resort greets and walks you through the airport to avoid all custom lines. It truly is a VIP service unlike any other! Not to mention, the airport is a mere 10 minutes from the breathtaking Punta Cana Resort & Club - you'll be in your swimsuit at the pool in no time!
